CONCEPT

FREE
Design your way **STYLE**

Free Style is the freedom to choose. The natural option to make your own choices. Free Style can be defined in many ways or simply as it implies from its tag line: “Design your way”.

Free Style highlights the basic definition of fashion as the driving force behind its development. Free Style senses the changes taking place in the world and responds accordingly sensitively and immediately.

COMPANY ID

We are very proud of our customers and we are grateful to each one of them for the trust and long-standing cooperation year after year, which proves that collaboration and partnership with AAB is doing business in **China with Confidence.**

AAB - a privately-held company operating since 1993 is one of the world's pioneers and leaders in the stainless steel jewelry.

Our headquarter, operations and logistics center is located in Guangzhou, China; there we create, design, develop, manufacture and export our stainless steel jewelry, body jewelry and silver jewelry to hundreds customers in 70 countries, in: north America, south and Latin America, west Europe, east Europe, Japan, Asia, Africa, Australia and New Zealand.

We are committed to support each and all customer to reach and maintain a leading role in their jewelry Market place. We strongly believe that both successes - ours and our customers' are directly linked and depend on each other. Therefore we are investing endless sources of time, capital and efforts in creating new collections with wide range of new designs, new technologies and comprehensive marketing solutions - all targeted to the benefit of our customers, their needs and specific requirements.

AAB is "The One-Stop-Shop" in China for you, as it already is for hundreds of businesses and individuals around the world, thanks to its expertise in the industry of stainless steel jewelry and its proven ability to provide professional, effective and tailor-made packages.

We are committed to continue our exciting journey with Jewelry and Customers for many more years to come as

We Combine Jewelry & People.
